

ALABAMA SOCIETY of HEALTH-SYSTEM PHARMACISTS FELLOWSHIP

Purpose: Fellowship in the Alabama Society of Health-System Pharmacists (ALSHP) recognizes excellence in the practice of health-system pharmacy. Fellowship is awarded to pharmacists who have made significant and sustained contributions to ALSHP and the profession of pharmacy. Fellowship status is for life as long as the individual is an active member of ALSHP.

Selection: Applicants must meet the criteria below. Applicants must earn a minimum of 100 points overall with at least 50 points coming from the “sustained contributions to ALSHP” category. A subcommittee of the Council on Organizational Affairs will review eligible applications and provide a recommendation to the ALSHP Board of Directors who have the authority to grant or deny fellowship status. Each year, the number of fellowships awarded will be determined by the ALSHP Board of Directors.

Procedure: Candidates who meet the criteria below are encouraged to submit their application and their CV. Applicant CVs will be used to verify/confirm points for activities noted. Two letters of recommendation from pharmacists who can attest to the applicant’s qualifications will be submitted directly to ALSHP, at least one of these letters must come from an ALSHP member. There is no fee to submit your application for ALSHP fellowship. Submit application, CV, and have letters sent to: FALSHP@alshp.org

Award: Fellows will receive the designation Fellow of ALSHP, a plaque, and will be honored at an award banquet.

Exclusions: Industry-sponsored presentations will not count for fellowship points. Poster and podium presentations will count only one time regardless of the number of times presented. Current members of the ALSHP Board of Directors are not eligible to apply during their terms in office.
