

ALSHP 2023 Summer Meeting

June 25-27, 2023

Dear Attendees,

On behalf of the Alabama Society of Health-System Pharmacists (ALSHP), I would like to welcome you to the 2023 Summer Meeting in beautiful Pensacola Beach, Florida. If this is your first time attending, thank you for joining us! If you are a returning guest, thank you for coming back! Whether you are attending for the first or the fifteenth time, we are delighted you are here. We promise to make it worth your while.

This year's meeting has a lot to offer! We hope you enjoy the live Continuing Education sessions, take advantage of the networking opportunities, visit and thank our Sponsors and Exhibitors, partake of our sponsored breakfast and lunch opportunities, view the posters, and more!

We would also like to express our appreciation to the speakers, poster presenters, sponsors, exhibitors, and Board of Directors. On behalf of ALSHP, thank you for your commitment and for investing valuable time to make our meeting so great.

We appreciate your continued support and thank you for helping to make a ALSHP's 2023 Summer Meeting a tremendous success!

Sincerely,

Laura Matthews

Overview

Target Audience

The Alabama Society of Health-System Pharmacists Summer meeting is devoted to the advancement of health-system pharmacy education for all pharmacists, residents, students, and technicians. This meeting provides opportunities for immediate application and idea exchange through cutting-edge programming and networking. All healthcare professionals engaged in the care of patients in the health-system will find this meeting to be an educational experience that positively impacts daily practice.

Integrity and Independence of Educational Content

As an accredited CPE provider, ALSHP is committed to upholding the ACPE Standards for Integrity and Independence in Accredited Continuing Education, which includes ensuring that content is fair, balanced, and supports safe, effective patient care. ALSHP is obligated to protect learners from commercial bias and marketing in our educational offerings. ALSHP will collect information on relevant financial relationships from all faculty, planners, and others in control of educational content. Mitigation steps, up to and including ineligibility to participate in the planning and presentation of education programs will be taken when such relationships are identified. Relevant financial relationships, or absence thereof, among faculty and planners of accredited educational content will be disclosed to learners in accordance with ACPE standards. Program faculty will provide disclosure at the beginning of their presentations.

Accreditation Information

The Alabama Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education (CPE). The ALSHP Summer Meeting 2022 will provide up to 10 contact hours (1.0 CEU) of knowledge-based continuing education credit, including 4 contact hours (0.4 CEUs) Consultant CE approved by the Alabama Board of Pharmacy. Consultant CE sessions are labeled with the symbol “**CE**” at the end of the CE title. As of 1/1/2015, the Pharmacy Technician Certification Board (PTCB) requires technicians to participate technician-specific continuing education for re-certification or re-licensure purposes. Technician certified programs are identified with a T in the UAN number or program listing.

To earn credit, participants must be registered for the meeting, attend the entire program for which they are seeking credit, and complete the online program evaluation survey within 14 days of the program date. ALSHP will upload credit directly to CPE Monitor within 60 days. Paper statements of CPE credit are not provided.
